SYMBOL OF QUALITY

BLACK HORSE PLASTICS

Since **1976**, Black Horse Plastics has been shaping everyday living in Nigeria through quality, innovation, and consistency. For nearly five decades, our products have earned the trust of households, institutions, and distributors by doing one simple thing exceptionally well: delivering reliable excellence, every time.

From household essentials to durable furniture and educational solutions, every Black Horse product is engineered for strength, style, and long-term performance.

Backed by experienced leadership, modern manufacturing, and deep market insight, we remain one of Nigeria's most respected plastics brands — built on long-standing relationships and a reputation for dependability.

Proudly Nigerian. Internationally minded.

Designed to last. Trusted to deliver.

Black Horse Plastics — Quality You Can Count On.
